Customer posts for this class: Sith, all well and good, however I prefer if you don't launch your shop until you reach the 50 points minimum. This way you could allow someone the chance to earn 50 points if they are new to the site. If you do however feel, you want to make this an ongoing weekly competition, we will need you to email the winners to me so that they can be removed from the list. Member's posts for this class: Yes Jane. I see that point and exactly what I thought. But it would be good to have one final week to just promote the course and say who I'd like to be the winner. It may still be useful to say, that you will be giving the first course ever 5 or 6 months at £49.I had read an article that one didn't need to refrigerate the cake because the blueberries absorb the CO2 from the cake. I tried putting the cake in the oven, but the top of the cake went black (apparently it looks ugly like that, never mind). So I just put it in the fridge overnight. It looks much better. I really don't care how the cake looks as long as it's moist. Thanks for your advice. I had read an article that one didn't need to refrigerate the cake because the blueberries absorb the CO2 from the cake.
